

Lifetime Warranty

ADVANCED SOLUTIONS FOR TODAY'S GARAGE DOOR

This form certifies the purchased door/opener is covered by the Advanced Door, LC Lifetime Warranty. The Lifetime Warranty covers materials and workmanship. If something goes wrong with the door or opener, Advanced Door will fix or replace the affected problem.

This warranty covers springs, rollers, hinges, struts, and stamped steel panels only.

Linear and LiftMaster operators are also covered under Advanced Door's Lifetime Warranty.

This includes the rail, belt/chain, motor, hockey arm, nose piece, and gear and sprocket.

For this warranty to remain valid, the garage door and/or opener must be installed exclusively by Advanced Garage Door. Any adjustments, modifications, misuse, abuse, or unauthorized repairs will immediately and permanently void this warranty. In the event of any issue with the garage door or opener, the customer must notify Advanced Garage Door promptly. All repairs, replacements, or corrections must be performed solely by an authorized Advanced Garage Door technician. Failure to comply with these terms will result in the immediate and permanent forfeiture of all warranty coverage.

Advanced Garage Door shall not be held liable for, including but not limited to: fires, floods, earthquakes, windstorms, Acts of God, power surges, slipped cables, damage caused by vehicles, persons hanging on panels, damage caused by objects left in the path of the garage door, or any other circumstances outside the scope of normal operation.

This warranty includes **labor** if something goes wrong with the garage door/opener and its installation.

The Lifetime Warranty **does not cover**: Glass, Overlay doors, Logic boards, Photo eyes, Springs greater than 2" in diameter, Weatherstrip or bottom seal, Commercial-size doors (doors taller than 10'), even if using residential panels

This warranty is **transferable** and remains valid if the home is sold to another homeowner.

Sales receipt must be present for the lifetime warranty to be valid.
